Meliseptol® HBV Tissues
PRACTICAL AND QUICK
Meliseptol® HBV Tissues

PRACTICAL AND QUICK

PROPERTIES
- Practical and quick with high quality wipes
- For wipe disinfection of small alcohol-resistant surfaces
- Impregnated with Meliseptol® rapid liquid
  (For features of Meliseptol® rapid, see page 10)
- Dispenser box for practical, safe and hygienic removal
- Reusable box with refilling pack
- Dermatologically tested
- Save-lock with audible click
- Top with guiding rail & strong back flap
- 90 days of in-use stability

IN A NUTSHELL
- Fast and effective within 1 min.*
- Aldehyde-free
- Box with refill pack
- Listing: the DGHM/VAH list and the IHO-virucide list

APPLICATION INSTRUCTIONS
Perform hand disinfection and wear gloves before use.
Follow Occupational Safety and Health Standards for handling of flammable and combustible liquids. Electrical appliances must be switched off before being disinfected. If this is not possible, precautions must be taken to ensure that no switching occurs while disinfection is taking place. Let hot surface areas cool down before disinfection. Remove all visible contaminants prior to the disinfection. Wipe the visible clean surface with Meliseptol® HBV Tissues so that it is completely wet. Keep the surface wet until the exposure time has elapsed. Do not wipe the surface dry. For the correct exposure times see enclosed table.

DISINFECTION WIPES – QUICK AND ECONOMIC
Refill the empty, clean, disinfected and dry Meliseptol® HBV Tissues box with the refilling pack with flexible foil.

Physico-chemical data ready-to-use solution
Appearance: clear, colourless liquid
pH-value: approx. 7
Density (20°C): ca. 0.98 g/ml
Flash point (DIN 51 755): > 31°C

Meliseptol® HBV-Tissues – composition:
One dispenser or refill pack contains 100 ready-to-use wipes, impregnated with 180 g Meliseptol® rapid solution. Ingredients in accordance with the Regulations on Detergents EC 648/2004: < 5 % non-ionic surfactants. Labelling of dangerous goods: see material safety data sheet (MSDS). Cautions: Use disinfectants safely. Always read the label and the product information before use.
